

Illinois Safe Routes to School : 2008 Projects in Northeastern Illinois

Program Status Update (c/o Megan Holt, IDOT Safe Routes to School Coordinator, December 2009):

"The Illinois SRTS program is finally moving forward with the 2008 awards, which we had announced in August and put on hold in September. The official letters of award went in the mail today [12/4/2009]. The deadline for everyone to have their agreements in place with us is December 2, 2010 (one year from the date of the letter that went out this morning). Illinois SRTS will be holding two (2) webinars (next week and the week after) to walk people through the process a little bit, hopefully it will make the process easier to understand and help people to better realize the steps that need to happen to make this all work.

If you have any questions, please contact me.
